Dear Parents / Carers of Year 6

Now that your child is in Year 6 he / she has the opportunity to travel to and from St. Michael and St. Martin School independently.

Please complete and return the slip below to confirm that you authorise your child to travel home from school unaccompanied. Without this writing permission children will not be permitted to leave the school premises without an appropriate adult.

As I am sure you are also aware in recent years Year 6 children were allowed to bring mobile phones in to school. This became a concern to both the governors and I as we cannot regulate the use of these before and after school, *especially* the websites that children may visit. The Police also feel that coming to and from school with a telephone makes them a target and therefore they are safer without one. If you are concerned about your child coming / going to school without a telephone, then you will need to accompany them.

The decision was therefore taken that **no** mobiles are permitted in school. Any mobile telephones found on any pupil will be confiscated and you will be required to come to the school office to collect them.

Please also note that in line with our Safeguarding Policy, we **do not** allow Year 6 pupils to take younger siblings home if travelling on their own.

Yours sincerely

Mrs N Duggan
Headteacher

I give permission for my child to travel to and from St. Michael and St. Martin School on his / her own after school.
