Learning our faith, Living our faith, Loving our faith

4th November 2026

Dear Parents / Carers of Yr 4

To support your child's knowledge and understanding of their Yr 4 Science Topic *'States of Matter'* and their Geography Topic *'Earthquakes and Volcanoes'*, we have arranged a trip to The Natural History Museum which will include an educational workshop. This trip will take place on:

Monday 16th November 2026

The year group will leave school at approximately **9.00am**. The children will travel to and from the venue by public transport accompanied by staff. They will return to school at approximately **3:45pm** – ***dependent on local traffic***.

The children will be supplied with a packed lunch, however, they can bring in a healthy snack along with a supply of water (no fizzy drinks, cans, glass bottles or chocolate please) on the day of their trip in a *small* back pack. Full school uniform is required for this trip, including their school coat.

The cost for this is **£3.50** per child and these monies should be sent in to your child's class teacher **in a sealed envelope marked with your child's name**, class and *'Year 4 Natural History Museum Trip'* clearly stated on the front. Please ensure that all monies are received by **Monday 16th November 2026**.

You have previously given your permission allowing your child to participate in such trips and unless you express your wish for your child not to attend this trip in writing, we will assume that permission is given. Trips are designed and planned to help children gain a greater understanding of many topics. Please also note that during these trips that photographs may be taken and used for social media purposes.

We hope that all our children enjoy this trip.

Yours sincerely

Mrs N Duggan
Headteacher
