Chair of Governors : Mr Remie Antao

Learning our faith, Living our faith, Loving our faith

10th November 2026

Dear Parents and Carers of Nursery Children

We are delighted to inform you that as part of our Early Year's provision we are commencing *'Muddy Monday'* as of **Monday 16th November 2026**.

The session will take place in our school grounds and a sample of the activities on offer will include problem solving, making items from natural materials, games, treasure hunts and den building skills to name but a few.

All children will need to bring in a pair of **wellington boots** clearly marked with your child's name in a named bag. A waterproof jacket will be provided by school.

Outdoor learning is an opportunity for your child to experience nature and the outdoor environment in a safe, secure and hands-on way. The children are encouraged to investigate and explore but also to respect all living things. We know that children learn best from first hand experiences; exploring, playing and learning using a range of activities. This helps builds a sense of independence, high self-esteem and team work which are all important parts of the Early Years curriculum.

Thank you for your continued support in your child's education.

Yours sincerely

Mrs N Duggan
Headteacher
