St Michael and St Martin Catholic Primary School

Belgrave Road, Hounslow, Middlesex TW4 7AG

Headteacher : Mrs N Duggan
Deputy Headteacher : Mrs S Bell
Chair of Governors : Mr Remie Antao

Learning our faith, Living our faith, Loving our faith

12th November 2026

Dear Parents / Carers of Reception, KS1 and KS2 children

I am delighted to confirm that we will once again be holding our annual Parents Maths Workshops.

Miss Oakes will lead two workshops focusing on the current Maths curriculum being taught throughout the school. These workshops will take place on:

Wednesday 18th November 2026 at 9am – Year 3, 4, 5 & 6
Wednesday 18th November 2026 at 2.45pm – Reception, Years 1 & 2

We strongly encourage all parents and carers to attend the relevant mathematics workshop, as these sessions provide valuable guidance on how to support your child's mathematical learning and progress throughout this academic year. They also offer an opportunity to gain a clearer understanding of the teaching methods and mathematical strategies used at St Michael and St Martin Catholic Primary School.

During the workshops, we will guide you through our Mathematics Calculation Policy, explaining and demonstrating the strategies taught in school and how these are applied to problem-solving and reasoning questions. We will also share practical examples and approaches that you can use at home to reinforce your child's understanding, develop their confidence and support their mathematical development.

The aim of these workshops is to ensure that you, as parents and carers, are well equipped to support and complement your child's learning at home, promoting a consistent approach between home and school.

We look forward to welcoming you into school.

Yours sincerely

Mrs N Duggan
Headteacher
