Dear Parent / Carers of Year 6

The spring term is a crucial time for Year 6 as they consolidate their learning in preparation for SATs in May. During this time the year 6 teaching team will be assessing the pupils' learning, identifying any key learning gaps and addressing misconceptions. The children have also been completing assessments as part of this process.

Over the coming weeks, it is important that the children establish a calm routine with early nights and regular exercise. Please remind your child that good attendance at school and home learning, both play an important part in ensuring they are confident in all aspects of the curriculum. If your child has a phone and/or access to social media please monitor this carefully and restrict use as much as possible.

After half term, parents' evenings will be taking place. During these appointments we will be discussing your child's next learning steps and predicted SATs scores. It is *essential* that all parents attend.

Thank you for your continued support,

Yours sincerely

**Mrs N Duggan**
