Learning our faith, Living our faith, Loving our faith

25th January 2024

Dear Parent / Carers

As I am sure you are aware school budgets have been consistently cut over the past few years. Rising costs and income not meeting expenditure, means that we are having to make some difficult financial decisions. Unfortunately some of the 'add-ons' that we have been able to provide at a loss to the school, we are just not able to facilitate anymore.

It is therefore with regret, that I have to advise you that our Breakfast Club will cease to run on Thursday 27th March 2024.

This decision was not taken lightly and many avenues have been explored however, as a school, we need to make some significant financial savings to ensure that we can continue to offer all of our children every opportunity to reach their full potential. This is why the Annual Charge and Governors Fund requests are so important. Many families have already paid in full or in part for the above and we are grateful for their support.

If you have not as yet made your contributions I would urge you to do so to help us to be able to continue to enhance your child's learning through future focused learning weeks with workshops, theatre groups etc. - *all* children love and benefit from these visits. Your Governors Fund contributions help us to make ongoing improvements to the school premises and also allows us to cover the required 10% contribution towards planned improvements.

I would like to take this opportunity to thank you for your support and understanding.

Kind regards

Mrs N Duggan
