6<sup>th</sup> October 2023

Dear Parents / Carers of Yr1 and Yr 2

In line with current government legislation which states that *'all children should learn to read and write using a synthetic phonics method'*, we would like to invite parents of children in Year 1 and 2 to attend a workshop explaining how you can support your child's reading and writing at home.

This workshop is available for all parents with children in these year groups and will take place on:

**Thursday 19<sup>th</sup> October 2023 at 9am**

We estimate the workshop lasting approximately 1 hour.

We would **strongly** advise you to attend so that you are fully aware of how to support your child and to gain a better understanding of how he/she will be taught phonics at St Michael and St Martin School. Please note that the workshop has been updated slightly for this academic year and even if you have previously attended you are advised to attend.

Children whose parents have attended the workshop will be awarded house points.

Yours sincerely

**Mrs N Duggan**
