3<sup>rd</sup> March 2025

Dear Parents and Carers of Reception Children

We are delighted to inform you that as part of our Early Year's provision we are introducing 'Muddy Monday' as of **Monday 10<sup>th</sup> March 2025**.

The session will take place in our school grounds and a sample of the activities on offer will include problem solving, making items from natural materials, games, treasure hunts and den building skills to name but a few.

**All children will need to bring clearly labelled wellington boots in a named bag.**

Outdoor learning is an opportunity for your child to experience nature and the outdoor environment in a safe, secure and hands-on way. The children are encouraged to investigate and explore but also to respect all living things. We know that children learn best from first hand experiences; exploring, playing and learning using a range of activities. This helps build a sense of independence, high self-esteem and team work which are all important parts of the Early Years curriculum.

Thank you for your continued support in your child's education.

Yours sincerely

**Mrs N Duggan**
