Chair of Governors : Mr Paul Lemaire

Learning our faith, Living our faith, Loving our faith

7th May 2025

Dear Parents / Carers of Year 1

Year 1's current Science and Geography Topics are - 'Animals' and 'Our Local Area'. To support your child's knowledge and understanding of these topics we have arranged a visit to 'Hobbledown Heath' which includes access to the Animal Experience and the Play Barn on:

Tuesday 3rd June 2025

The year group will leave school at **9.15m** and will travel to and from the venue by foot accompanied by staff. If the weather is extremely warm we have made arrangements for children to travel to/from the venue by public transport). They will return to school at approximately **2.45pm**.

We were also delighted to welcome members of the RISE Theatre into school for a "*breath-taking journey of discovery around the earth and into space, learning about the beauty of God's creation, His incredible love for every person, and how each of us can care for our planet and the environment, from the depths of the jungle to the snow-capped peaks of the north pole!*" on **Tuesday 29th April 2025**.

A healthy packed lunch will be provided by school for all children who do not have a food allergy recorded at school. Children will choose their filling for the baguette which is included with the lunch. Please ensure that they have additional water with them. You may supply an additional healthy snack if you so choose in a small back pack.

On the day children should wear their PE kit – with **tracksuit bottoms** on the day and bring their waterproof school coat / sun lotion (*weather dependent*).

The cost of this trip is **£18.00**. A payment request has been released to your ParentPay account to enable you to make your payment for this. Please ensure that all monies are received by **Monday 1st June 2025**.

You have previously given your permission allowing your child to participate in such trips and this letter is to confirm that your child will be off site during the above mentioned times.

Trips are designed and planned to help children gain a greater understanding of many topics. Please also note that during these trips photographs may be taken and used for social media purposes.

We hope that all our children enjoy this trip.

Yours sincerely

Mrs N Duggan
Headteacher
