Hounslow School Nursing Service

The Hounslow School Nursing Service is a small team made up of Specialist Community Public Health Nurses, Community Staff Nurses and School Health Technicians.

The team has a public health role, focusing on health promotion and identifying unmet health & wellbeing needs early on, to minimise the impact of these on children & young people.

Hounslow School Nursing Service

Once children reach school age they will transition from the Health Visiting Service to the School Nursing Service.

They will continue to be offered health & developmental reviews at key transition stages via our Digital Health Form.

At the end of the Digital Health Form there is an opportunity to request further advice & information from the School Nursing Service.

Send a message to

07312 263 080

Receive an answer within one working day from a qualified school nurse.
Monday to Friday, 9am-4.30pm. No service on bank holidays.

*Messages are charged at your usual rates. The service is confidential, but we might have to inform someone if we are concerned about your safety, and we would speak to you first. Your messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply to you within one working day and you will get an immediate message to confirm we have received your text. Texts will not be seen outside working hours. If you need help before you hear back from us, contact your GP, nearest walk-in centre or dial 111. Our text number does not receive voice calls or picture messages. We support messaging from UK mobile numbers only (not from landlines, international mobile numbers and some numbers masking 'mobile apps'). To prevent the school nurse from sending messages to you, text STOP to our number.
