Dear Parents / Carers of Reception – Yr5

On **Tuesday 24th June 2025**, we are very fortunate to welcome the 'Magical Maths Company' into school. They will be holding free taster workshops for Reception to Year 5. These workshops will show mind blowing session to 'wow' students showing them the fun side of maths.

In the autumn term they will return to school to run an after school club for these year groups. Some of the areas that will be covered are:

Maths Genius Training
Maths Detective Training
Mathemagician Training
Mathletes Training
Puzzles & Games Training Activities

Each week has a single maths focus and will run for 1 hour - *in line with all our other after school clubs* and will be run by one of the Magical maths team.

If you would like to learn more about Magical Maths please the following link: <https://magicalmathsclub.com/what-we-do/school-clubs/>.

If you would like your child to attend this club please ***do not*** try and book their place through this link. When our autumn term club listings are released in September this club will be included in the listing.

Yours sincerely

Mrs N Duggan
