Learning our faith, Living our faith, Loving our faith

9th October 2025

Dear Parents / Carers of Yr6

The forthcoming Year 6 PGL residential trip represents an important milestone in our pupils' primary education. This experience provides valuable opportunities for the development of independence, confidence, and resilience within a safe and well-supervised environment.

Several parents have not paid the deposit for the trip and unless we get ample numbers, the trip will not be able to go ahead. This has not happened before and it is a shame, as it is an opportunity the children really look forward to.

The trip serves as a significant step in preparing pupils for the transition to secondary school. While we recognise that some parents may have concerns regarding homesickness, cost, or general wellbeing, please be assured that pupil safety and welfare remain our highest priorities. We strongly encourage all families to support their children in participating in this important and enriching experience.

If you have not yet paid the deposit or let us know a valid reason for your child not participating then please do so by **Monday 13th October**.

Thank you to those families have already made this payment we do hope that we are able to offer your children this wonderful opportunity as we have for so many years previously.

Please remember that if your family circumstance have changed or you are currently experiencing any financial difficulties but would like your child to take part in this trip please contact Mrs Kitt in the school office to discuss this in confidence.

Yours sincerely

Mrs N Duggan
