Joint Chair of Governors : Mr Remie Antao and Mr Tom White

Learning our faith, Living our faith, Loving our faith

11th November 2025

Dear Parents / Carers

Next week is '**Maths Week England 2025**' and as a school we are looking forward to participating in this national event.

Throughout the week children will take part in a range of mathematical activities relating to their current topics here in school, as well as learning how maths can be integrated with other subjects. We feel that it is important that children understand that maths is not a *stand-alone* subject, but that it also applies to our everyday lives.

We have also been invited to compete and show the rest of the *country* how amazing we are at TTRS (*Times Table Rock Stars*) by answering as many questions as we can on TTRS!

The class who answer the most number of questions right and receive the highest average score will be crowned our winner and will receive a prize.

Please support your child's engagement in this challenge over the weekend and encourage them to practice their times tables and do their very best in the challenge to aim to be part of the winning class within our school or indeed the **WHOLE OF ENGLAND!** It is vital that children practice and learn their times tables as they are a crucial concept in a child's mathematical learning and understanding.

The competition will take place between **Monday 17th – Friday 21st November**. Please remember that TTRS is only available between **7:30am and 7:30pm**, there is a 60 minute time limit per player each day, this is to ensure that children receive a well-deserved rest.

To celebrate everyone's achievements throughout the week there will be a free Rock Star Maths Mufti Day on **Friday 21st November 2025**. Children are encouraged to come to school dressed as a 'rock star'. These costumes need only be simple, some ideas can be seen below:

We look forward to another wonderful learning experience for our children and thank you in anticipation of your support and encouragement for your child.

Yours sincerely

Mrs N Duggan
