Beowulf

**Writing Opportunities:** Narrative writing in role; Explanation texts focussing on The Water Cycle; Persuasion texts; Police incident report and Newspaper report; Poetry; Non-Fiction – Instructions in the form of a survival leaflet.

**Guided Comprehension & SPaG** sessions completed daily.

**Handwriting** - We follow the Penpals Handwriting programme, with a focus on joining letters in all written work.

### Year 5 Curriculum Map

#### Spring Term 2026

Miss Oakes & Mr Marston

Mrs Feddersen-Doyle & Mrs Fernandes

### Maths

We will be covering the following areas: Multiplication and Division, Fractions, Decimals and Percentages, Perimeter and Area and Statistics.

Children will be encouraged to practise **their times tables and number facts** daily, as these are vitally important for many aspects of mathematical problem solving.

Arithmetic and timetable tests will be fortnightly.

### MFL

### Italian

Greeting one another, numbers, short conversations

### RE

**'Galilee to Jerusalem':** This branch moves Jesus from Galilee to Jerusalem. The children will learn about the end of Jesus' life, his crucifixion and of course his resurrection, the most important belief of Christian faith.

**'Desert to Garden':** At the end of the last topic we left Jesus about to enter Jerusalem (Palm Sunday). Desert to garden walks us through Jesus' last week, using the metaphor of gardening to image what happens.

We continue to read Luke's Gospel as our base text. The children will continue to plan and take part in the deliverance of **Collective Acts of Worship**.

### PE

Gymnastics - Partner Work - Over and Under  
Invasion Games Basketball

### Art & DT

Art - Sculpture and 3D: Interactive installation  
DT - Stuffed Toys (textiles)

### Computing

#### Data Handling

Learning that a separate computer can program external devices.

#### Programming

Making links between different programming interfaces.
