Deputy Headteacher : Mrs S Bell

Chair of Governors : Mr Paul Lemaire

Learning our faith, Living our faith, Loving our faith

17th January 2024

Dear Parents and Carers of Nursery Children

We are delighted to inform you that as part of our Early Year's provision we are introducing 'Welly Wednesday' as of **Wednesday 24th January 2024**.

The session will take place in our school grounds and a sample of the activities on offer will include problem solving, making items from natural materials, games, treasure hunts and den building skills to name but a few.

All children will need to bring clearly labelled **waterproof trousers and wellington boots** in a named bag. If your child has an **additional waterproof jacket** which can be worn over their normal school coat, please also send this in. This will ensure that their every day school coat is protected during any muddy activities.

Outdoor learning is an opportunity for your child to experience nature and the outdoor environment in a safe, secure and hands-on way. The children are encouraged to investigate and explore but also to respect all living things. We know that children learn best from first hand experiences; exploring, playing and learning using a range of activities. This helps build a sense of independence, high self-esteem and team work which are all important parts of the Early Years curriculum.

Thank you for your continued support in your child's education.

Yours sincerely

Mrs N Duggan
Headteacher
