Learning our faith, Living our faith, Loving our faith

27th January 2026

Dear Parents / Carers of Yr5

During the upcoming spring and summer terms we have arranged the following focused themed days and school trips to support your child's learning and understanding of various topics:

Anglo-Saxon Day -Monday 2nd March 2026 – Supporting our History Topic

To enable the children to fully immerse themselves in this day we would like them to come into school dressed in a *simple Anglo-Saxon* costume which **does not have to be bought** (*we will post some costume ideas onto google classroom*).

The children will participate in a 'Beowulf' Workshop, create their own Anglo-Saxon pottery pieces along with other creative activities.

Bank of England Museum – Thursday 19th March 2026 – Supporting Maths and Global Money Week

Children will leave school at approximately **10am** and will travel to and from the venue by London Underground accompanied by staff. They will return to school at approximately **3.15pm - dependent on underground services**.

Science Museum – Monday 18th May 2026 – Supporting our Science Topic

The year group will leave school at **9am promptly** and will travel to and from the venue by London Underground accompanied by staff. They will return to school at approximately **3.15pm - dependent on underground services**.

Wintershall Retreat – Thursday 18th June 2026 – To Support RE – The Life of Christ

The year group will visit this beautiful retreat to reflect on the life of Christ where the story of Jesus is brought to life in an immersive theatre experience.

They will leave school at **8m promptly** and will travel to and from the venue by coach accompanied by staff. They will return to school at approximately **5pm - dependent on local traffic**.

Unless stated all trips are uniformed and a healthy packed lunch will be provided. However, you may supply a snack (*no chocolates or nuts please!*) and additional water if you wish.

Children will make their choice of baguette filling prior to any trip.

Trips are designed and planned to help children gain a greater understanding of many topics. Please also note that during these trips that photographs may be taken and used for social media purposes.

We hope that all our children enjoy all other the above planned trips.
