

Dear Parent or Carer,

RE: Digital Health and Wellbeing Questionnaire

All parents/carers of Reception-aged children in the Hounslow Borough are invited to complete an NHS digital health and wellbeing questionnaire. The purpose of this is to assess the health needs of young people and offer early intervention, online support and the opportunity for face-to-face support where required.

This is an opportunity for you to discuss any health concerns you have for your child. At the end of this letter, you will find a QR code and link to access the questionnaire. The school will not have access to your response.

The questionnaire is managed by Leicestershire Partnership NHS Trust (LPT). We have completed a detailed data protection review of the software and LPT will not have access to the responses provided. The online form will provide interactive advice with clear direction on where you can access safe and appropriate support, if required. A follow up appointment with a member of the School Nursing Team may also be offered if any health or wellbeing concerns are identified.

The information you provide will be confidential and will only be seen by the Hounslow School Nursing Team. The results will be held securely on our patient database, against your child's individual record. If required, relevant and appropriate information regarding medication will be shared with the school, to ensure that your child is not at risk. Anonymised data about key health themes will be shared with schools and local authority public health commissioners, which will enable an understanding of local trends and support planning the services required in Hounslow for young people and their families.

To complete the questionnaire for your child, please scan the QR code or visit the link below:

<https://forms.chathealth.nhs.uk/index.php/558667?lang=en>

Please note, you are able to select a different language via this button at the top of the questionnaire:

If you change your mind and would like to raise an objection to data sharing, please get in touch.

Information on data sharing can be found on the Trust website, under 'Privacy Statements', at <https://www.westlondon.nhs.uk/privacy-policy>

If you DO NOT want to take part in this digital health and wellbeing questionnaire, you do not need to do anything further.

If you would like to discuss this further, please contact us using the number or email address at the top of this letter.

Yours sincerely,

Hounslow School Nursing Service

Are you a parent or carer of a child aged 5-19 years? We offer advice and support about your child's health, wellbeing and development.

Send a message to: 07312 263 080

Receive an answer within one working day from a qualified school nurse. Monday to Friday, 9am-4.30pm (apart from bank holidays).
