Learning our faith, Living our faith, Loving our faith

24th April 2026

Dear Parents / Carers of Reception

As we move into the summer term children, we are starting to prepare them for the transition into Year 1 by enhancing their personal development skills such as listening, attention, understanding and gross motor skills to name just a few. To help aid this development we have arranged for kickboxing workshop run by Diamond Kickboxing. This workshop will take place on:

Tuesday 28th April 2026

Children's ability to listen and follow instructions in a fun, safe environment whilst trying out new skills.

Later in the second half of our summer term we have arranged a trip to the Hounslow Urban Farm to support your child's knowledge and understanding of our current Topic subject, 'Animal Safari'. This trip will take place on:

Tuesday 9th June 2026

The year group will travel in small groups on school minibus to and from the venue accompanied by staff. They will return to school at approximately **3pm - dependent on local traffic**.

A healthy packed lunch will be provided by school for all children who do not have any recorded food allergies. However, you may supply a snack (*no chocolates or nuts please!*) and additional water in a small backpack.

If your child suffers from travel sickness, please ensure that you advise your class teacher of this, administer the medication before school and if relevant provide medication for the homeward bound journey clearly marked with your child's name, dosage amount and time

For both the workshop and school trip children are asked to wear their PE kit and trainers. For the school trip they should also have their school summer cap (*please ensure that this is clearly labelled with the name*) If the weather is warm you are also kindly asked to ensure that sun cream is applied before school.
